MARCUS SUTTON

GENERAL MANAGER OF JUMEIRAH EMIRATES TOWERS

"I am proud to be leading a team committed to excellence in one of Dubai's most recognisable properties"

With a career spanning two decades, Marcus Sutton is considered a leading figure in the hotel industry with a diverse cultural background working in seven countries. Since joining Jumeirah Group in August 2018 as Hotel Manager of Jumeirah Emirates Towers, Sutton has played an instrumental role in the way the hotel has positioned itself as one of the leading Business hotels in the region.

In his current role as General Manager at Jumeirah Emirates Towers, Sutton is responsible for developing and running the commercial and operational strategy for Jumeirah Emirates Towers hotel, including the management of 400 rooms and suites and 500 members of staff. In addition, he has been supporting Resort Operations at Jumeirah Al Qasr and Jumeirah Dar Al Masyaf.

His strong commercial awareness and active involvement in Revenue, Sales and Marketing activities have demonstrated his abilities to efficiently manage business needs; delivering operational excellence and brand standards. This has also led to managing innovative and award winning food and beverage concepts. In addition, his broad knowledge in cluster

operations through implementing synergies and strategies for multi-unit properties

Prior to joining Jumeirah Group, Sutton was managing various local, regional and international hotels with his broad knowledge of all technical aspects of hotel operations and strong ability to deliver operational excellence and brand standards. His expertise in the hotel industry is reflected on his strong educational background, as he gained a Diploma in Hotel Management from the International College of Management in Australia, and Institut Hôtelier César Ritz in Switzerland, and Bachelor Of Business, Hospitality & Tourism from Macquarie University in Australia.

After joining Jumeirah Group, Sutton has played a huge part in adding to Jumeirah Emirates Towers milestones and success story.

NOT JUST A BUSINESS HOTEL

Hotel Overview

Soaring high above Dubai's financial district, Jumeirah Emirates Towers is one of the region's most iconic buildings. Comprising two equilateral triangles, this landmark structure is home to an Office Tower, Hotel Tower and The Boulevard.

The towers stand out as a hub of business, innovation, and leisure, offering a wide variety of retail and dining choices to the visitors, and housing ground-breaking organizations such as the Dubai Future Foundation.

Located minutes from Dubai International Financial Centre (DIFC), Dubai World Trade Centre and The Dubai Mall, Jumeirah Emirates Towers is Dubai's leading city lifestyle destination and a place where guests can effortlessly switch between business and leisure.

Often described as an architectural icon, construction of the dual skyscrapers began in 1996, with the hotel officially opening its doors ahead of schedule in April 2000. Fast forward to the present day and Jumeirah Emirates Towers is one of the city's most popular and award-winning business hotels - a true representation of Dubai's success story.

DESIGN AND EXTERIOR

Designed by architect Hazel Wong and constructed by Ssangyong Engineering & Construction in collaboration with Cleveland Bridge & Engineering Middle East Private Ltd and Murray & Roberts, the simple elegant forms of this distinctive dual-tower are revered the world over. Among the most iconic dual skyscrapers in the world, Jumeirah Emirates Towers' exterior is inspired by traditional Islamic themes. Comprising two equilateral triangles, the 350m Office Tower and a 305m Hotel Tower, the two towers are connected by The Boulevard. Clad with aluminum panels and copper and silver-reflective glass, the buildings capture the sun's changing light, offering an entirely different perspective of the towers depending on where in the city it is viewed from.

EDITORIAL INSPIRATION

LOBBY LIFE

Global architecture and design firm, Pringle Brandon Perkins+Will, are behind the hotel's celebrated lobby. Perpetual daylight, high ceilings, sophisticated interiors and a dynamic atmosphere unmatched anywhere in the city are just some of the features at this popular meeting place.

EXPLORING THE INNOVATIVE HEART OF THE CITY

The strategic location of the hotel allows, through the lobby, direct access to

The Boulevard, a space used for government offices and initiatives such as the Youth Hub, Dubai Future Foundation and more. This area represents the innovative heart of the city, be it through the ground-breaking organizations based within the office tower, or via cutting-edge buildings such as the Museum of the Future. The museum will become a hub of creativity combining art and culture in new innovative ways, from exhibitions to themed attractions.

INTERIORS AND DECOR OVERVIEW

The Jumeirah Emirates Towers experience begins from the moment guests and visitors step inside the spacious glass-fronted lobby – the heartbeat of the hotel. Perpetual daylight, high ceilings, sophisticated interiors and a dynamic atmosphere unmatched anywhere in the city complement the majesty of the lobby, which was designed by Pringle Brandon Perkins+Will

Open, inviting and buzzing with activity, the lobby's focal point is the 30 metre high atrium and the four glass elevators that swiftly move from top to bottom, covering four metres per second.

INTERIOR DETAILS - Each room and suite effortlessly blends modern European-style decor with refined furnishings, designer bathrooms with separate showers, and sophisticated business amenities to ensure that all guest needs are met throughout the duration of their stay. Floor-to-ceiling windows offer panoramic views across the city, while state-of-the-art technology has been conveniently integrated into the design of each room and suite to deliver a streamlined guest experience. Complimentary Wi-Fi and broadband internet access as well as VoIP phones featuring digital room controls are available, along with a 55 inch LED TV that includes Chromecast, Netflix and Youtube.

DINING AND ENTERTAINMENT

MUNDO

The 142 seat lobby-level restaurant celebrates four distinct flavours and cooking styles: Mediterranean, Arabic, Indian and Asian. Offering signature cuisine from around the world, this interactive restaurant complements Jumeirah Emirates Towers' more classical, specialised culinary experiences.

AL NAFOORAH

Embracing the rich culture of Lebanon, Al Nafoorah offers authentic Lebanese cuisine in the most impressive setting. Located on the lower level of The Boulevard, food choices range from seafood and succulent grills to mezze and mouthwatering mains. Live entertainment and an outdoor terrace further add to Al Nafoorah's culinary pull.

DAEFI LOUNGE

Located on the ground floor of Jumeirah Emirates Towers, the Lobby Lounge serves light snacks and refreshments throughout the day. Granite and marble flooring and plush sofas merge to create a dynamic setting to sign off business deals in a space buzzing with inspiration.

POOL BAR

View places in Dubai offer views quite like the Pool Bar at Jumeirah Emirates Towers. Serving drinks and snacks at the outdoor pool area, guests can soak up the sun by day and watch the sun set over the Dubai skyline by night.

DINING AND ENTERTAINMENT

SWEET TREATS @ THE TOWERS

This delightful baking service offers guests an innovative selection of ingredients, shapes and decorations for bespoke cakes and pastries – all of which are prepared by the highly skilled pastry chefs at Jumeirah Emirates Towers.

FLOW

A new initiative nestled in the innovation laboratory of Jumeirah Emirates Towers, our Chefs use an abundance of delicious and nutritious vegetables, fruits and meats to create a sharing-style menu filled with healthy snacks, salads and small plates portioned just right. With an extensive selection of daily grab-and-go bites, plus a mixture of vegan, gluten-free, dairy-free and Paleo-friendly options, Flow's offering is all about healthy, natural, feel-good products designed to fuel and energize. We proudly serve coffee from Dubai's very own, The Espresso Lab, founded by Emirati entrepreneur Ibrahim Al Mallouhi. Having hand-selected the highest quality beans from across the world, our Baristas are trained to strict international standards.

LA CANTINE DU FAUBOURG

An amalgamation of food, art and creativity, this celebrated Parisian hang-out, which first opened at the fashionable Rue du Faubourg Saint-Honoré in Paris more than a decade ago, serves modern French cuisine from its ground-floor location in The Boulevard

NINIVE

Middle Eastern cuisine surrounded by tall palms and neon-lit skyscrapers, Ninive combines elements of a garden and a contemporary urban majlis. Ninive serves Arabic cuisines from the Middle East, North Africa and Gulf, collected and reimagined.

WELLNESS AND LEISURE

TALISE SPA

The city lifestyle destination is also home to Jumeirah's celebrated Talise Spa, a haven of tranquility in the heart of the city's bustling business district. The spa offers four treatment rooms, male and female changing facilities, an exclusive floatation pool and a range of signature treatments and revolutionary weight loss programmes.

TALISE FITNESS

A well-equipped gym designed to emulate a city loft apartment, is open to guests staying at Jumeirah Emirates Towers. Here you'll find the latest state-of-the-art equipment alongside a series of fitness programmes.
