

Trump International Golf Club

DUBAI

Experience the Extraordinary

WELCOME TO TRUMP INTERNATIONAL GOLF CLUB, DUBAI

Located in the heart of DAMAC Hills, Trump International Golf Club, Dubai exceeds all expectations. This stunning property features an exquisite championship links-style golf course designed by world-renowned and 2016 Olympic golf course architect, Gil Hanse, and boasts state-of-the-art golf facilities, including the Trump Dubai Golf Performance Academy with air-conditioned indoor swing studios and the 9-hole, Par 3 floodlit golf course.

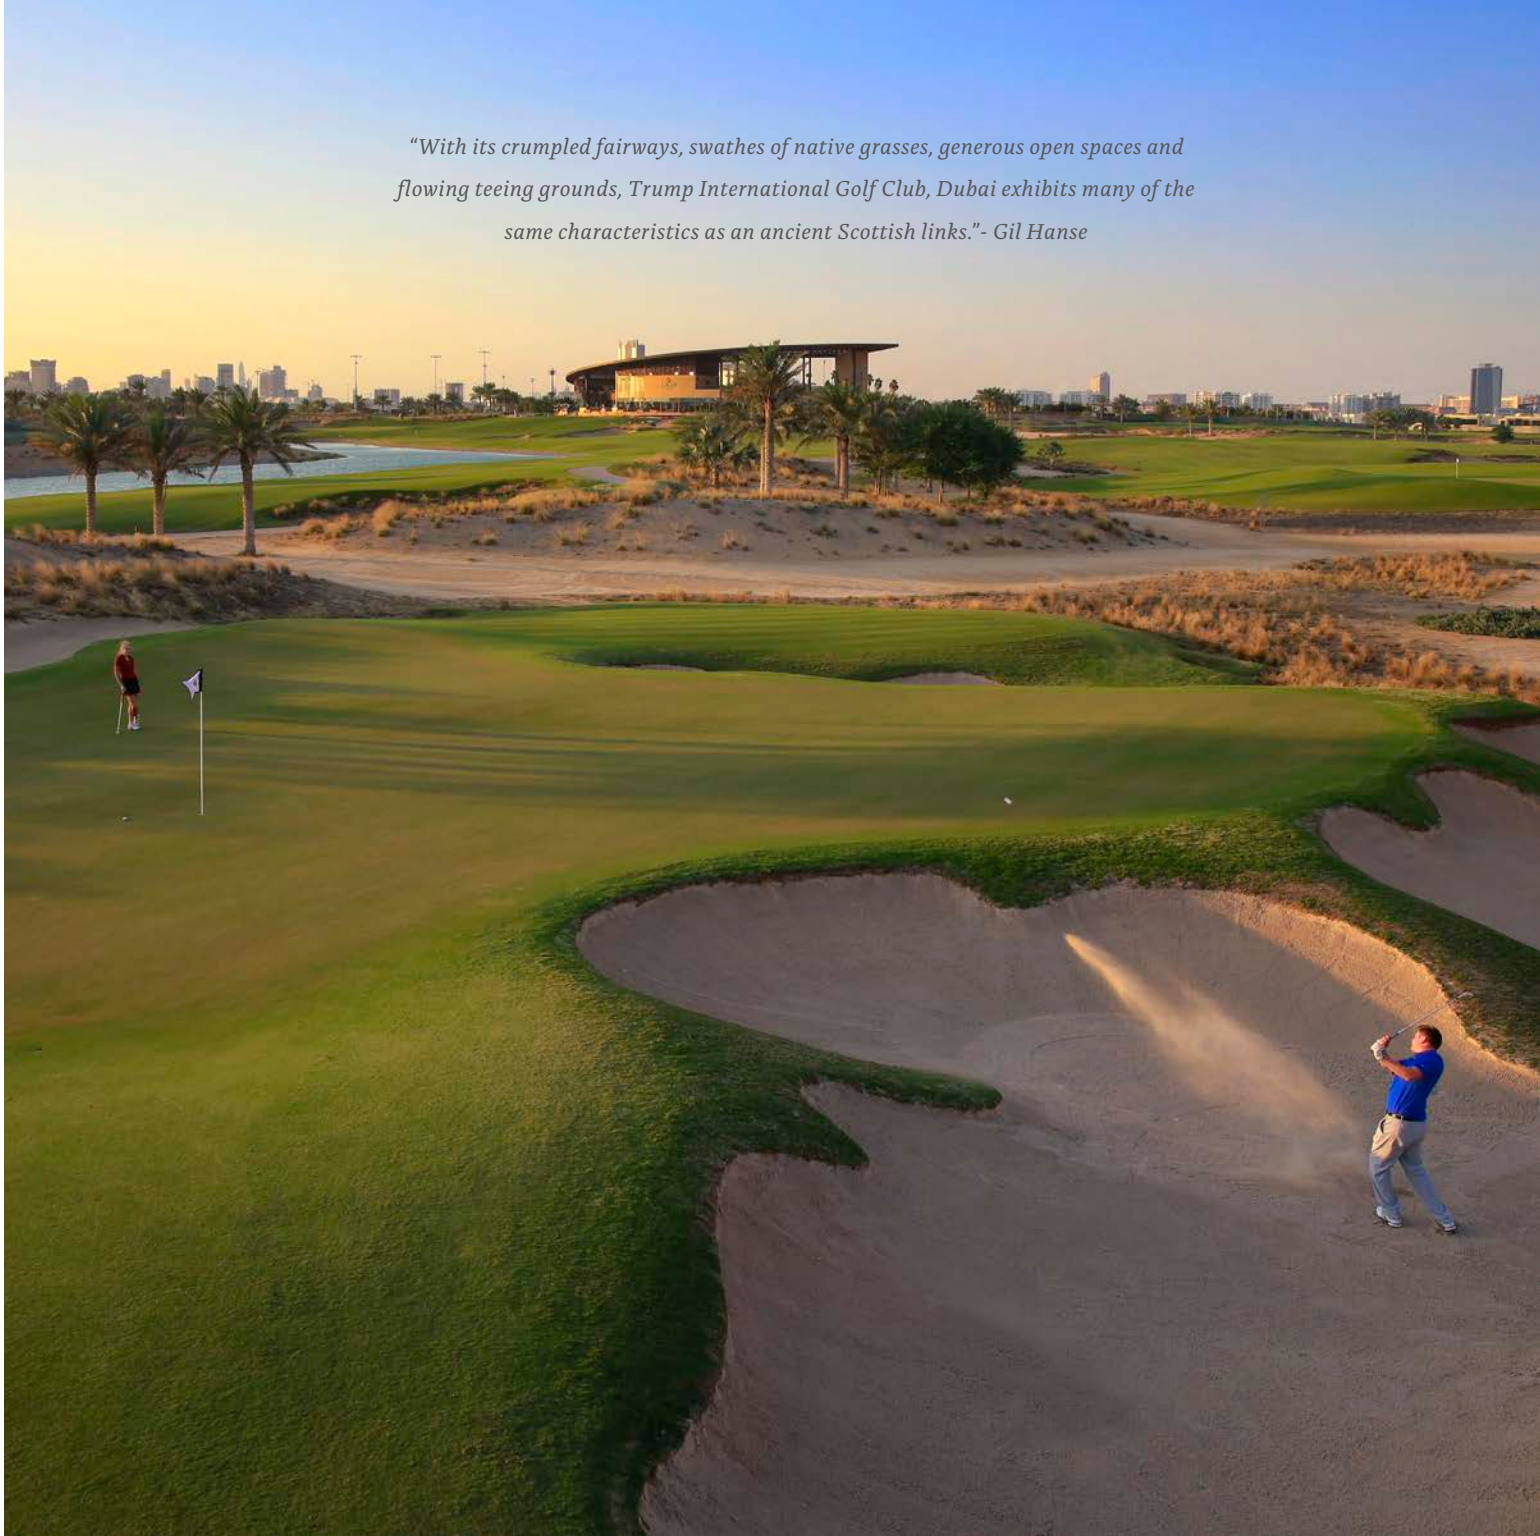

Complementing the magnificent golf course and world-class golf facilities, the 30,000 square foot clubhouse features the finest amenities, such as a chic family-oriented restaurant, luxurious sports lounge, beautiful infinity swimming pool, a well-equipped fitness centre and an expansive golf pro shop.

18-HOLE CHAMPIONSHIP GOLF COURSE

Gil Hanse Design • Par 71 • 7,300 yards

Situated on over 500 acres and forged from what was previously flat and barren dessert, Trump International Golf Club, Dubai has become a preeminent destination in the world of golf. The championship-style, 18-hole golf course designed by world-renowned golf course architect, Gil Hanse, blends lush greenery into the desert climate, creating an extraordinary golf experience and a true test of the game.

“With its crumpled fairways, swathes of native grasses, generous open spaces and flowing teeing grounds, Trump International Golf Club, Dubai exhibits many of the same characteristics as an ancient Scottish links.”- Gil Hanse

PAR 3 GOLF COURSE

Gil Hanse Design • 9-hole • Par 27 • 1,257 yards

Featuring undulations and hazards that mimic the 18-hole championship golf course, the Gil Hanse designed Par 3 golf course with LED lighting allows golf play throughout the day and late into the evening. Catering to all golf skill levels, the Par 3 course provides beginners with a challenging yet exciting golf experience, while progressive tees offer avid golfers the opportunity to perfect their game.
