B&F VENUES

GINGER MOON

Ginger Moon offers a ‘no beach’ beach club experience and a new, Dubai-first, cuisine concept. A hotspot to enjoy chilled vibes with family and friends from day to night.

Boasting an exciting and new cuisine concept, New Californian, that has not been seen in Dubai before which is enough to transport you to another realm of relaxation and great vibes.

New Californian cuisine is a chef-driven food movement with dishes filled with fresh vegetables and fruits, lean meat and seafood native to the Californian coast.

The menu takes its influence by ‘the cuisine of California’, a food culture that is inspired by European, Mediterranean, Latin American and East Asian cuisines from its rich multi-cultural community.
