

نجد المقطار
NAJD AL MEQSAR

PRESERVING HISTORY,
EMBRACING NATURE

Nestled within the captivating city of Khorfakkan, Najd Al Meqsar emerges as a testament to heritage preservation and revitalization. Situated within the Wadi Shie archaeological site, this village area has undergone a meticulous restoration process. A slice of history within our 300-year-old fort, meticulously restored to its former glory and serving as the focal point of our village area.
