JW GARDEN

Locates on ground floor

Reflecting the JW Marriott brand's deep commitment to well-being, sustainability, and purposeful living, the **JW Garden** is more than just a source of ingredients — it is a living, breathing expression of our values.

Nestled within the hotel grounds, the JW Garden provides our chefs with handpicked, fresh herbs and seasonal produce. These carefully selected ingredients elevate each dish, bringing authentic flavor, thoughtful sourcing, and a deeper connection to nature.

Garden's harvest featured across the **restaurant menus**, offering guests a taste of freshness in every bite. From vibrant herbs to aromatic garnishes, each component is chosen with intention — straight from garden to plate.

This garden-to-table journey reflects our belief that when nature leads, excellence follows.

The JW Garden is not just where ingredients grow; it's where wellness, inspiration, and hospitality thrive.
