QATAR

Where Tradition Meets Modernity

DOHA CORNICHE

DESTINATION

Qatar

Welcome to Doha, one of the Arabian Gulf's most exciting cities and fastest-growing tourism destinations. Stunning azure waters lap against the Qatari capital's famous crescent-shaped corniche while the ultra-modern skyline that is home to some of the finest architecture in the region can be seen in the distance.

The official home of the 2022 FIFA World Cup and the first city in the Middle East to host the world's biggest sporting event, Doha is arguably the sporting capital of the region. It is also one of its most important cultural destinations: It is home to the world-renowned Museum of Islamic Art (MIA), which features the largest collection of Islamic art on the planet; the exquisite Qatar National Library, which is home to an incredible two million books; and Souq Waqif, a traditional Arabian marketplace that is also the beating social heart of Doha.
